Name(s): _____

Lot(s) Owned (ex: W-071, E-074): _____

Home Phone: _____ **Cell/Alternate Phone(s):** _____

Motorized Boat make/model/motor (horsepower) information: (if more space is needed, use back)

Boat 1. _____

Boat 2. _____

Non-Motorized Boat(s) description (type, length, color): _____

_____

Please read and write your initials next to each statement before signing below.

_____ I certify that I have read the Lake Dabinawa Boating Regulations and my boat, motor, lights, and safety equipment maintained in the above listed boat(s) are in compliance and will remain in compliance as noted in the Boating Regulations.

_____ I intend to operate my boat(s) on Lake Dabinawa as consistent with the Lake Dabinawa Boating Regulations (sticker display, allowed operators, direction of travel, right-of-way, etc.)

_____ I will comply with Kansas State law to prevent the spread of Aquatic Nuisance Species, such as zebra mussels and Asian carp. Compliance means that if my boat, fishing, or swimming equipment is used in another body of water, I will observe Kansas guidelines as stated below:

Simple steps to follow; CLEAN, DRAIN, DRY every time, every lake.

Before leaving:
- **CLEAN: Inspect boat and other equipment for attached zebra mussels and remove any that are found.**
- **DRAIN: all water (live wells, bilge, bait buckets, etc.) before leaving the area.**

Before using again:
- **Wash equipment with hot water (140-degree recommended) or Dry equipment for 5 days.**

*** Effective January 1, 2012, KS State rules require that live wells and bilges are drained and drain plugs removed from all vessels that are being removed from waters before transport on any public highway.**

Please also be aware of the potential hazards with bringing live bait to our Lake from other sources and follow State guidelines for live bait use and disposal.

LAKE DABINAWA ASSOCIATION
BOATING RULES AGREEMENT

Effective in 2013, **each year lake members are required to complete the Aquatic Nuisance Species Certification Course** offered by the State of Kansas. It is available online and free to complete. **Please access the link below to complete the course; print your certificate of completion and attach to this form.** For enhanced protection of our lake waters, all members of your household are encouraged to complete this certification.

Required Action:
Please complete the certification course accessed at the following link offered through the Kansas Department of Wildlife, Parks and Tourism website. If you do not have access to a computer or the Internet, please contact a Board member for assistance completing the certification.

Please sign below indicating your agreement:

Signature of Owner: _____

Date: _____

Please attach Aquatic Nuisance Species Certification Course certificate.

LAKE DABINAWA ASSOCIATION

BYLAWS AND COVENANTS (Excerpt)

Article IX – LAND USE RESTRICTIONS

Section 10 – Boating Regulations

Any failure to comply with the boating and recreational regulations will result in the loss of lake privileges as specified in the **Boating Rules listed below**.

A. Boating: All boats, motor or otherwise, operated on the lake shall have the lot number prominently displayed on both sides in at least three inch high letters and shall have a current boating permit on both sides of all motored boats and on the starboard (right side) of non-motorized boats.

1. Boating permits will not be issued until assessments are paid, and
2. The lot owner has to sign that all family members have read and understand all the boating rules and regulations. She/he assumes the responsibility for the family abiding by the same.
3. The description of each boat that requires a boat sticker is to be listed on the signed "Boating Rules Agreement" stating intent to abide by the regulations.
4. A lot owner shall operate only two motorboats at a time on the lake. These boats may be operated by:
   a. The lot owner, or one of his immediate family, licensed operator being 16 years of age, and parents of lot owners.
   b. A guest of the lot owner, if accompanied by the lot owner
   c. The lot owner must accompany and assist anyone less than 16 years of age.
   d. Drivers less than 16 years of age, unaccompanied by a lot owner, may only operate non-power boats.
5. No guest boats are allowed. No inboard, inboard-outboard, or houseboat shall be used on the lake. No jet skis are allowed on the lake. Motorboats operated on the lake are restricted to less than eighteen (18) feet in length and a maximum of 115-horse power. Deck boats are limited to twenty (20) feet in length. Pontoons are limited to twenty-four (24) feet in length.
6. All boats shall travel in a counter-clockwise direction at a reasonable speed. There must be a life preserver or flotation cushion for each person in the boat. Lot owners are responsible for ensuring that life preservers are safe and appropriate for the people in the boat. The operator and passengers of all moving boats shall remain seated and not ride on the side or the bow of the boat or on the back of the seat.
7. Boat right of ways is as follows: sail boats, canoe, row boats, paddle boats, pontoons, then deck and motor boats.
8. Any boat operated after sunset shall be equipped with running lights and must travel at no more than five (5) miles per hour.
